COVID-19 vaccine superhero: Jesse’s story

Jesse is going to get a COVID-19 vaccine and is a little nervous.

"COVID-19 is caused by a virus too tiny to see."

"Why do I need the COVID-19 vaccine?"

"The vaccine is so powerful, it even helps keep people around you safe."

"Vaccines are like a very special kind of a superpower, Jesse!"

"The vaccine works like an invisible force field which protects you from this virus."

Jesse brought a favourite toy and used belly breathing to feel calm. There was a tiny pinch on the arm and it was over. "That was easy!"

Jesse is now a COVID-19 vaccine superhero! They are helping to protect their community against the COVID-19 virus.
