

# Coronavirus COVID-19

BC Centre for Disease Control | BC Ministry of Health

## Guidelines for Visitors to Long-Term Care Facilities

**DO NOT  
ENTER IF SICK**

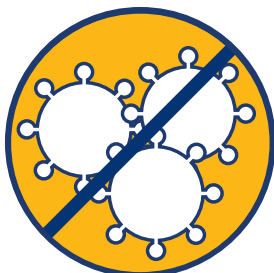

All visitors must be fully vaccinated against COVID-19 to enter the facility\*

All visitors must provide proof of full vaccination\* against COVID-19 or a medical exemption to enter the facility

Visitors must take a rapid antigen test and receive a negative test result prior to visiting

During active COVID-19 outbreaks, social visits will be suspended. Essential and single designated visits will still be able to continue

All visitors are required to wear a medical mask in hallways, common areas and multiple occupancy rooms

Cough or sneeze into your elbow and do not touch your face

Clean hands before and after visiting

Use soap and water or alcohol-based hand sanitizer

\*Excluding children under 12 years of age, those with an approved medical exemption or for an end-of-life visit
