

A portrait of Bernard, an Inuvialuit man with long dark hair and glasses, wearing a dark fur-lined jacket. He is smiling slightly and looking towards the camera. The background is a neutral, textured grey.

**“HIV is not
the end of the world.”**

Bernard, Inuvialuit

People with HIV deserve our love and support. With treatment and care people with HIV can now live long lives. HIV is preventable. Condoms and clean needles help prevent the spread of HIV.
