ORDERING INFORMATION:

What should I order?

For instructions on what container to use and how to collect and submit the sample please consult the BCCDC Public Health Laboratory **eLab Handbook** at <http://www.elabhandbook.info/PHSA/Default.aspx>.

How do I order?

Using this *Sample Container Order Form* please either **email** the request to **kitorders@hssbc.ca** OR **fax** request to **(604) 707-2606**

- Please order in single units;
- Please **DO NOT** order in pads, bags, packs, flats, trays, boxes or cases (unless ordering the Serology Screening requisition which is available in a 50-page pad).

How many should I order?

When ordering please keep in mind the following:

- A lot of sample containers have components that have a short shelf-life and therefore have expiry dates. Please order according to your needs instead of "stock-piling".

When will I receive my order?

Orders will be processed and mailed using Canada Post. Please allow 5-14 business days for arrival.

For **RUSH** orders, provide the following information:
