ATTN: Medical Health Officers and Branch Offices
Public Health Nursing Administrators and Assistant Administrators
Holders of Communicable Disease Control Manuals

Re: Revisions to the Communicable Disease Control Manual – Chapter 2, Immunization Program

Please note the following changes to the Communicable Disease Control Manual, Chapter 2 – Immunization Program:

(1) SECTION IIA: IMMUNIZATION SCHEDULES

Page 5, 1.3 “Hib Schedule when the Basic Schedule has been Delayed”:
- Minimum intervals for a primary Hib schedule for infants 2 to 6 months of age have been added: footnote 3 indicates the minimum age for starting a Hib series is 6 weeks; footnote 4 indicates the minimum spacing between doses in the primary series.

Page 11, 3.1 “Minimum Intervals Between Vaccine Doses Table”:
- Minimum intervals for a three dose PCV 13 schedule added: initial dose is given no sooner than 8 weeks of age, with a minimum interval of 8 weeks between dose 1 and dose 2. Dose 3 is given no earlier than 12 months of age, and at least 8 weeks after a previous dose.
- Note added regarding minimum intervals for a primary Hib series for infants 2 to 6 months of age, with a link to the table on page 5 in this section.

Administrative Circular 2010:14
(2) SECTION VII: BIOLOGICAL PRODUCTS

Page 45, “Completing a Pneumococcal Conjugate Vaccine Series”:
- Page renamed.
- Under “24 to 59 months”, the last category has been changed to “PCV7 or PCV10 series completed”, for clarity.

Please remove and destroy the following pages from the Communicable Disease Control Manual, Chapter 2 – Immunization Program:

Section IIA, Immunization Schedules:
Pages 5 & 11 Dated January 2009

Section VII, Biological Products:
Table of Contents & Page 45 Dated June 2010

Please insert the following pages in the Communicable Disease Control Manual, Chapter 2 – Immunization Program:

Section IIA, Immunization Schedules:
Pages 5 & 11 Dated July 2010

Section VII, Biological Products:
Table of Contents & Page 45 Dated July 2010
If you have any questions or concerns, please contact Karen Pielak, Nurse Epidemiologist, or Cheryl McIntyre, Associate Nurse Epidemiologist, at telephone (604) 707-2510, fax (604) 707-2516 or by email at karen.pielak@bccdc.ca or cheryl.mcintyre@bccdc.ca

Sincerely,

Dr. Monika Naus,
Medical Director, Immunization Program and
Associate Medical Director, Epidemiology Services
BC Centre for Disease Control
