Date: November 5, 2014  Administrative Circular: 2014:17

ATTN: Medical Health Officers and Branch Offices
     Public Health Nursing Administrators and Assistant Administrators
     Holders of Communicable Disease Control Manuals

Re: Update to Communicable Disease Control Manual,
    Chapter 2-Immunization Program
    Section IIA-Immunization Schedules

Section IIA-Immunization Schedules
INTERIM minimum interval chart revision
The table has been updated to include minimum intervals for the 2-dose and 3-dose
HPV-quadrivalent vaccine (Gardasil®) schedules. A footnote pertaining to these
schedules has also been included.

Dose 1 minimum age information has been added for the HPV-bivalent vaccine
(Cervarix®).

*** This chart is being updated on an INTERIM basis, and will be revised completely with
the introduction of a revised Section IIA – Immunization Schedules. It is compatible with
intervals used in Panorama forecasting.
