Date: May 26, 2022  Administrative Circular: 2022:21

ATTN: Medical Health Officers and Branch Offices
     Public Health Nursing Administrators and Assistant Administrators
     Holders of Communicable Disease Control Manuals

Re: Update to Communicable Disease Control Manual, Chapter 2: Immunization,
Appendix B – Administration of Biological Products

Appendix B: Administration of Biological Products

- *Section 6 and section 8* have been revised to include that a needle can be changed following drawing up from a vial or ampule if a different size needle is required for administration.
- *Section 8* has been updated to include instructions on how to open One Point Cut ampules.
- A link has been included to the BCCDC Blood and Body Fluid Exposure Management guidelines in *section 10*.
- *Subsection 14.1.1* has been updated to include that based on clinical judgement, a greater volume may be considered based on the individual’s muscle mass for those 5 years to 18 years of age.
- Content has been added for when healthcare provider assessment should be sought for fever in *subsection 16.1*.

Please remove entire section: dated August 2019
Please add entire section: dated May 2022
