Public Health Nursing Administrators and Assistant Administrators
Holders of Communicable Disease Control Manuals

Re: Update to Communicable Disease Control Manual, Chapter 2: Immunization, Part 4 – Biological Products

COVID-19 Vaccines

COVID-19 Vaccine Eligibility
- Revised age indication for the primary series of Novavax from 18 years of age and older to 12 years of age and older per Health Canada authorization.
- Hyperlinks to respective COVID-19 vaccine product pages have been added.

COVID-19 Vaccine NUVAXOVID™ (Novavax)
- INDICATIONS: Revised age indication from 18 years of age and older to 12 years of age and older per Health Canada authorization.
- DOSES AND SCHEDULES: Content from BOOSTER DOSE section has been moved to DOSES AND SCHEDULES section.
- ADVERSE EVENTS: Content added indicating pericarditis and myocarditis in association with Novavax COVID-19 vaccine have been reported internationally, with no reports in Canada per Public Health Agency of Canada reports to Dec. 9, 2022. A longer interval of 8 weeks between doses of the primary series may reduce the likelihood of pericarditis and myocarditis, particularly for males 12-39 years of age.
Mpox Vaccine

Smallpox and Mpox Vaccine (Live attenuated, non-replicating): IMVAMUNE®

Per World Health Organization recommendations the term ‘Monkeypox’ has been replaced with the preferred term ‘Mpox.’

Please remove page numbers: 1-4 dated November 4, 2022
Please add new page numbers: 1-4 dated January 2023

The client information sheet for recipients of mpox vaccine has been revised with the preferred term ‘Mpox’ and the title has been updated to “Mpox (Monkeypox) Vaccine Client Information Sheet”.

Please also remove the Title Page and Table of Contents for Part 4 – Biological Products dated December 2022, and replace with the enclosed updated Title Page and Table of Contents dated January 2023.
If you have any questions or concerns, please contact Stephanie Meier, Senior Practice Leader, BCCDC (telephone: 604-707-2577 / email: stephanie.meier@bccdc.ca).

Sincerely,
