Notes: Data from Pharmaceutical Analytics, Integrated Analytics: Community & Cross Sector Branch, Health Sector Information, Analysis & Reporting Division, BC Ministry of Health; July 2022 data extract. Inclusion criteria:
- Prescribers with patients who filled a prescription for OAT at a BC community pharmacy during the month of June 2022.
- Colour indicates prescriber density rates; deeper shade = higher density.
Map created August 2022 by BC Centre for Disease Control.
