- Local Promotion
- School Staff/Parent Education
- Opinion Leaders & Influencers
Lessons Learned

Education/Promotion

- ImmunizeBC website
- Education of School Staff
- Local Champions
- Ongoing PHN Support
- Vaccine = Normal
### Lessons Learned

**Richmond**

### Success Strategies

| ✔️ Highest Provincial Coverage: 77.6% (Gr. 6) and 84.3% (Gr. 9) |
| ✔️ Separating boys and girls |
| ✔️ One consent form |
| ✔️ PARIS-generated consents |
| ✔️ Dedicated clerical school staff |
| ✔️ Long-standing relationships with schools |

| ✔️ A dedicated immunization team |
| ✔️ Follow-up phone calls |
| ✔️ Volunteer coordinator |
| ✔️ Volunteers for crowd control |
| ✔️ On-call system for questions |

### Special Considerations

- High new CDN pop’n which may be more pro-vaccine than other pop’ns
Moving Forward

Assess → Plan → Evaluate → Implement
Teamwork WORKS!
