

1 Public Health Measures

Track and manage COVID-19

- Provincial Health Officer orders
- Improved testing
- Contact tracing

2 Environmental Measures

Reduce crowding, improve air flow and keep things clean

- Be outdoors when possible
- Create physical barriers
- Place signage to help people move safely
- Increase cleaning and disinfection

3 Administrative Measures

New schedules to limit crowding and contacts

- Revise scheduling and work practices
- Follow health and wellness policies
- Organize students and staff in learning groups

4

Personal Measures

What individuals can be doing

- Staying home when sick
- Physical distancing
- Clean your hands often
- Cover your cough or sneeze

5

Masks

Wear properly-fitted masks when recommended
