The length of time to conclude an outbreak may be reduced or extended at the direction of the Medical Health Officer. Outbreaks in Senior's Independent Living residences are declared at the discretion of the Medical Health Officer of the regional health authority.
- Total cases = resident and patient cases + staff and other cases. Total deaths = resident and patient deaths + staff and other deaths.
- Community/ Facility Type:
  - Long Term Care (LTC)
  - Assisted Living (AL)
  - Independent Living (IL)
